DESCRIPTION OF DUTIES/ ESSENTIAL FUNCTIONS

Uses computer aided dispatch (C.A.D.) system as the primary mode of operation to perform communications and record-keeping duties relative to airport emergency service/public safety incidents. Utilizes handheld radio and radio dispatch console to dispatches Public Safety personnel to calls for service of reported incident(s). Monitors field unit activity. Determines appropriate unit(s) for dispatch and records unit transactions within geographical area of responsibility. Monitors field unit activities relative to status, location, existing conditions, etc. Determines best course(s) of action to respond to calls for service. Monitors access control systems to ensure the public, employees or tenants of the airport make no unauthorized access to Aircraft Operating Areas (AOA) and other security areas. Relays information and calls to appropriate personnel regarding Public Safety operations or airport emergencies. Provides on-the-job training to new dispatchers Operators. May be required to be "on call" during emergency situations.

WORKING CONDITIONS

Performing these duties will involve: operating city vehicles; walking and standing for extended periods; making visual observations and differentiating details; applying specialized information; attending to details amid distractions; dealing with people in tense situations; speaking and writing effectively; being outside during inclement weather; using two-way radios and lifting up to forty (40) pounds; and reacting quickly with dexterity and coordination. Must be willing and available to work all shifts, including rotation, weekends and holidays. Must be able to obtain and maintain security clearances.

MINIMUM EDUCATIONAL REQUIREMENTS

Bachelor's degree in Aviation Management, Airway Science, Criminal Justice, Law Enforcement, Public Administration, Business Administration, or related field.

MINIMUM EXPERIENCE REQUIREMENTS

No experience required. Para-professional or professional experience in an airport, security or emergency related field may be substituted for the education requirement on a year-for-year basis.

MINIMUM LICENSE REQUIREMENTS

Valid Class C Texas driver's license and compliance with city's policy on driving (AP 2-2).

PREFERENCES

Customer service experience working in a highly stressful environment, i.e., law enforcement, security, military, or emergency management office helpful. Some knowledge related to security activities and principles/procedures. Ability to communicate diplomatically and effectively, often in tense situations, with all levels of internal and external customers. Basic knowledge using office equipment and computer data entry skills including experience with MS Office suite. Experience conducting criminal history and background investigations, ink roll and scanner finger printing desired.

SELECTION/SKILLS TEST REQUIRED The selection process will involve: application review; work sample exercise; and/or interview.
